Shaping The Future of the NHS

Don't miss your opportunity to have your say
on the future of NHS services as part of The
Big Conversation.

Funding for healthcare is under pressure.
More people are using NHS services, and
resources are increasingly limited. At the
moment, the NHS is buying more than it can
afford which means that some difficult
decisions need to be made about the
services it can afford to provide in the
future.

The Big Conversation has been created to
help Cambridgeshire and Peterborough
Clinical Commissioning Group (CCG), who
buy the healthcare services in the local area,
to understand what is most important to the
local community. Feedback received will be
used to create a set of principles that will
inform future plans and help shape our NHS.
Local residents can give their feedback by
completing a short survey online at [https://
bit.ly/NHSBigConversation](https://bit.ly/NHSBigConversation) (which also gives
you more information about the Big
Conversation).

BAR HILL PARISH COUNCIL

Parish Council Office, Hanover Close, Bar Hill. CB23 8EH

01954 780456 - clerk@barhillpc.org.uk

Chairperson: bunty.waters@barhillpc.org.uk

On behalf of everyone at the Council I wish you all a happy Christmas and New Year. We also take this opportunity to thank all the residents who have shared their ideas and input to the work of the Council over the last year.

Bunty Waters (Chair)

The Parish Council has taken on board residents' concerns about the little wooded area at the back of The Mall and in front of the Medical Centre which belongs to Tesco. Their maintenance contractors have undertaken some work but we are still trying to persuade Tesco to instruct their contractors to make further improvements.

Dog Fouling. Firstly, thank you to the many of you who clear up after your pets and use the dog bins that are dotted about all around the village. The District Council, who are responsible for emptying litter and dog bins, and street cleansing, have advised that they will accept dog waste in the general street waste bins. The Parish Council has now put in a bid for a grant for 4 new dual bins, as you see in Cambridge; one part being for recyclable materials such as paper, cans and bottles and the other for general waste which is not recyclable. Councillors do urge everyone to recycle as many items as possible including avoidance wherever possible of single-use plastics. <https://www.scambs.gov.uk/media/13378/what-goes-in-which-bin-page.pdf>

Jubilee Park. Landscaping and planting up of the land behind the young people's sport and activity equipment will be taking place over the next few weeks. Councillors are most grateful to the Community Markets who have very kindly made a generous donation of £200 towards this project to mark their 10th Anniversary. We wish them success for many years to come.

Play Areas. Wicksteed will be attending very soon to replace broken swing seats and repair

safety surfacing. The Council is working with Kompan regarding the persistently broken hammocks at the teenage shelter.

HGVs in residential streets. The Parish Council is aware of the inconsiderate behaviour of some HGV drivers that enter the residential areas and even park up for the night. This is a real nuisance in so many respects, not least when there is no turning space and the wheels of the artics wipe out verges, gardens and roundabouts.

The Parish Council has no enforcement powers to directly stop this activity but is doing all it can with the responsible agencies.

It is working with the County Council Highways Department and hopes to be able to erect highway signs – 'Unsuitable for Heavy Goods Vehicles' at the village residential walls on Saxon Way and Crafts Way fairly soon. At a cost of over £1000 we sincerely hope this will be an effective measure.

In the meantime those lorry companies do not like their drivers causing a nuisance and certainly not damage. Take the registration number and name and contact details on the lorry and make the call straight away. You should not engage in speaking to the lorry drivers to ask them to move on.

The Police are aware of our problems and the PCSO does keep an eye on the village and speaks to lorry drivers when he can but we understand a taxed vehicle parked on public highway is not necessarily breaking the law so prosecution is not an option. Unfortunately it is harder to reach out to the overseas lorry companies.

The Parish Council has a standard letter it will send to lorry companies if you are able to email the details, together with photographic evidence including registration plate if possible, to clerk@barhillpc.org.uk Sadly, we do rely on the courtesy and respect of the drivers and their companies in this matter.

BAR HILL PARISH COUNCIL

Something you want to tell the Parish Council.

Please contact your local Councillor or contact the Parish Council Office which is open Monday to Wednesday 10am to 12noon, or simply call in to one of the Councillor Drop-in sessions which are the last Monday in the month excluding bank holidays.

Report broken/missing street name sign, dog fouling, missed refuse collections, housing and benefits to South Cambs District Council Tel 03450 450500 <https://www.scambs.gov.uk/report/>

Report a faulty streetlight or overgrown trees blocking light with lamp reference number <http://www.lightingcambridgeshire.com/contact-us/report-fault.htm>

Report road and footway damage <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/>

Purchase of Freeholds In the first instance please contact the Parish Council Office by telephone or email or attend in person during opening hours.

Fees are charged to cover legal costs only; the Parish Council receives no monies.

Residents are kindly asked not to leave items they no longer want on parish land.

We get complaints of white goods, building materials, wood and smaller household items left on areas that should be for the amenity enjoyment of all residents. This nuisance activity includes leaving household items and bags of rubbish beside the street bins. Contact South Cambs District Council if you need items collecting that won't fit in one of your bins! <https://www.keepbritaintidy.org/faqs/advice/fly-tipping-and-law>

Autumn/Winter Maintenance The final grasscut of the season took place week commencing 4 November and will resume

next March/April depending on weather. Councillors thank the Cricket Club for all the extra cuts its members undertook on the village green through the summer for games and the enjoyment of everyone. The Council is contributing to the new cricket pad which the Cricket Club is having installed after the Council expanded the play facilities to include the Tegttable on the old cricket pad. We understand this should be ready for the season next year and will be another valuable asset for our community to enjoy.

Tree works contracts have been finalised and works on trees, hedges and shrubs will start in November. The Ranger service will continue with general and small works, focussing on cutting back of encroaching vegetation on the paths. Contractors have been instructed for further tidying of vegetation by Hollytrees stream focussing on the areas that were not included in the extensive improvements to the stream in the Spring.

As ever, please will residents ensure they keep their trees, hedges, shrubs, including brambles and weeds, from overhanging footways, greenspaces and roads to prevent obstruction/nuisance to users. Please cut back to your own boundary line and dispose of your cuttings in the recycling system. This includes the narrow gap the other side of your boundary fence abutting paths. <https://www.scambs.gov.uk/planning/natural-historic-and-built-environment/natural-environment/trees-hedgerows/trees-in-and-around-my-property/>

If you have concerns about trees/shrubs on parish land please complete the form and submit to the Parish Council office for assessment and review for future maintenance programmes. <https://www.barhillpc.org.uk/forms/>

Bar Hill Parish Council actively promotes the benefits of recycling around the village.

Thank you to all residents for continuing to recycle whenever and wherever possible.

WILDLIFE TRUST

An Evening with Mike Dilger

Come along for an entertaining evening with Mike Dilger on Wednesday 11th December 2019 at 7.30pm.

Mike is a well-known face as a wildlife presenter, making regular

appearances on the BBC's One Show and Inside Out. We are expecting this to be a very popular talk and would ask people to book in advance by contacting Alistair Grant on alistairgrant@hotmail.com or 0777 5365507.

Fascinating Fungi – An Introduction to Mycology

The Huntingdonshire Local Group of the Wildlife Trust invites you to this illustrated talk, which will be given by Peter Walker on Wednesday 9th January 2020.

Peter has a wealth of knowledge on this subject and he will present an absorbing talk about these diverse organisms that often appear only transiently, maybe for as little as a few days, before disappearing again to spend most of their lives hidden underground.

Peter will tell us about the identification, habitat, biology and uses of fungi. This should be a fascinating talk that will be of interest to many.

Both events will be at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB starting at 7.30pm.

Bar Hill Pre-School

Registered Charity No. 1030725

<http://www.barhillpreschool.co.uk>

We offer childcare Monday to Friday 9am-3pm, term time, for children aged 2-5 years.

We offer sessions through the government funding, including funded twos and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities for children to learn and develop skills through play, in an inviting environment.

Our key-person and buddy system ensures every child is well supported by qualified staff who have a wealth of experience.

We work in partnership with parents and our online learning journals supports this by providing families with regular information on their child's development and next steps. Parents can upload evidence from home and add comments too.

This month, we have continued to use the falling leaves, conkers and seasonal pumpkins in our activities and on the display boards. Now we are turning our focus to the National nursery rhyme week, which covers five well-known rhymes to aid the children's development and learning.

Are you looking for a preschool placement for your child next year? We are now taking applications for places at Bar Hill Preschool, starting from September 2020.

If you are interested, please call us on **01954 782892** to arrange a visit or see our website; www.barhillpreschool.co.uk for more information.

I wish all residents a very happy and peaceful Christmas and a successful and joyful New Year

Debating the next LOCAL PLAN

The start of a six week consultation to help create “the most important document most people have never heard of” will launch in January after a

consultation.

The ‘first conversation’ will launch on 13 January after councillors agreed it was better to run the consultation after the Christmas and New Year festive season to make sure as many people as possible talk to the councils about their views.

The new joint Local Plan for Cambridge and South Cambridgeshire will ask questions about climate change, nature, wellbeing and equality to help inform important decisions on where new homes will be built, jobs located and the facilities and services that will be needed.

It is expected to take around four years to create the next Local Plan and the consultation in January is the first step to help local people get involved the whole way through.

The date for the Issues and Options consultation was agreed after councillors at both councils debated the report at meetings this week.

The two councils’ current Local Plans, which were given final approval in 2018, set out how the two areas will be developed up until 2031, with 33,500 new homes to be built and 44,000 new jobs to be created.

Some of the key themes already emerging for the new joint Local Plan, to 2040 and beyond, include:

- Responding to climate change
- Increasing biodiversity and green spaces
- Promoting wellbeing and equality
- Delivering quality places

These themes help to shape the heart of the Local Plan – decisions about future jobs and employment, homes and infrastructure – including transport links, schools, health and utilities.

A new website is being created to help people get involved more easily. This will also mean people can comment on the issues that they are more concerned about.

More information on the emerging joint Local Plan can be found by visiting www.scambs.gov.uk/greatercambridgeplan

Foodbanks

Foodbanks help provide emergency food supplies to people in poverty, be that through illness, disability, family breakdown or the loss of a job. The foodbank that covers South Cambridgeshire is called the Cambridge City Foodbank. The first step to receiving an emergency food supply from a foodbank is to receive a foodbank voucher from a local agency, such as Citizens Advice, Children's Centres or Health Visitors. Contact the Cambridge City Foodbank on info@ccfb.org.uk or call 07772538628 and they will be able to talk you through how to get a foodbank voucher from a local agency.

Recycling Your Christmas Tree

For a donation, Arthur Rank Hospice Charity will collect your tree on 9, 10 or 11 January if you live in postcode areas including CB23. See www.arhc.org.uk/treerecycling.asp to register.

Honest advice with a smile,
we go the extra mile!

Community Primary School

All staff and children have been working very hard and as always there is lots going on at Bar Hill Primary School!

Children were very excited, taking part in the Joe Wicks Big Move to raise money for Children in Need on the 15th November. All classes have also been undertaking activities associated with anti-bullying week, including wearing odd socks to school! Miss Brunner is leading a new initiative to help the children develop a healthy lifestyle, including healthy eating.

On the 7th November, three Y4 children travelled to Downham Feoffes Primary to take part in a reading competition. They worked brilliantly as a team, winning the first round and only narrowly missing out on first place by half a point! Huge congratulations to all concerned.

Bar Hill PTA

The PTA is very active in fund raising for the school. We are always looking for new members. If you would like to join us please contact PTA@barhillprimary.org.

Upcoming events:

- Every Friday after school in the playground tuck shop and second hand book stall
- Christmas raffle. Tickets will go on sale before October half term and will be drawn Friday 13th December.

We are looking for donations of books, toiletries, anything for hampers! Please drop off in the office FAO PTA or email, as above, and we can collect.

Bar Hill Twixmas Party!

Seniors, that's over 55s of Bar Hill, you are invited to a Twixmas party in Bar Hill Church, Octagon building, on Saturday December 28th from 1.30pm til 3.30pm. A party buffet, 60s music, dancing and, maybe, party games. A chance to get together with old friends and/or make some new ones.

This event is the first joint venture by Knit and Natter and Happy Hours and is free but donations can be made. If you would like to attend please call Sue Kenchington on **01954 780260** to book your place.

Let's Stamp out Leprosy

It takes seconds to rescue a used stamp from an envelope destined for the bin but, by doing so, this devastating and needless disease can be tackled more effectively.

- Leprosy is a mildly infectious disease
- If caught early, it can be cured very simply with drugs
- Untreated it causes crippling disabilities and blindness
- About 4 million leprosy-affected people worldwide
- The Leprosy Mission works to detect cases early and provide treatment
- In the last 30 years they've raised 30 million pounds from collectables:
 - Stamps of all descriptions, GB and foreign (even the very common ones)
 - Postcards (GB and foreign, posted or unused)
 - Coins and bank notes
 - Medals

With Christmas cards arriving, please save stamps and help stamp out this needless disease. Trimmed stamps (leave about 2mm border) and other donations can be left in a box in the library, the church letter box or the church vestibule.

BAR HILL COLTS

The Sharks are the Bar Hill Colts' most recent team and provide football in the village for girls and boys aged 5-7 (School Years 1 and 2).

We started in March this year and attract upwards of 15 kids for our regular Saturday 9-10am slot on the AstroTurf.

We put a lot of effort into providing a fun environment for the kids to play football in - probably best exemplified by their favourite drill being one we call "SpongeBob SquarePants"! - and encourage players to try their best with the award of a 'Star Player' trophy each week.

The children loved getting a taste of action in a couple of tournaments during summer and we are now gearing up to join the Under 7 league after Christmas, for those aged 6+. If your child is interested in joining the Sharks please contact us on **07960064472**. We are looking for a coach to take on the Year 1 children from after Christmas. If you are interested then please get in touch. Thanks. Pete. Ben and Daniel.

MAKING CONNECTIONS IN SOUTH CAMBS (OPEN ARMS)

There's thought to be 50,000 people at risk of loneliness in Cambridgeshire, so chances are some of them live near you. With winter approaching, life may get lonelier; we all tend to stay indoors for longer. For some people, ill health and bad weather may confine a greater number to their homes, the fear of falling in icy weather and darker nights mean they're too nervous to go out. Working neighbours may be out all day, so they'll see few people during the week.

Villages are great at keeping the community connected, though it's easy to overlook the impact of seasons. In winter, timing events or meetings in daytime, or providing door to door transport, can help to prevent isolation. Helping with shopping, especially bulkier items, gives an opportunity for a chat, or sharing a treat.

So, making connections, however small, can mean so much, whether it's smiling, chatting at the checkout, catching up

with friends by picking up the phone or contacting them through social media. Keeping connected by knowing what is happening in your

community gives a sense of belonging which improves wellbeing.

The Open Arms project supports action against loneliness if you have an idea that could help build connections in your community we can help you to make it happen.

Health

In a world where stress is something we all experience, the emphasis has changed to include the importance of mental health to our overall wellbeing. Encouraged by high profile individuals like the Dukes of Cambridge and Sussex, it is becoming acceptable to talk about how we feel; to say when we feel anxious or depressed. To support individuals to take care of their mental health, Public Health England and the NHS have launched 'Every Mind Matters', a free online resource that shows people simple steps they can take to be better prepared for life's ups and downs. The platform allows you to create a personalised plan recommending self-care actions to deal with stress, improve sleep and help you feel more in control. <https://www.nhs.uk/oneyou/every-mind-matters/>

On the subject of health, a reminder: please, if you are aged 40-74 and haven't yet had a free NHS health check, do make an appointment. These are funded by the County Council and appointments should be made through your GP.

<https://www.cambridgeshire.gov.uk/be-well/resources-and-campaigns/nhs-health-checks-programme/>

Roads

Highways England's recent announcement that the 12 mile bypass to the south of Huntingdon will open to traffic on 09 December 2019 - a year ahead of schedule - is indeed good news. Everyone seems to agree that the A14 upgrade project is a remarkable feat of engineering but there is no doubt that Bar Hill has seen more than its share of challenges particularly recently as

work on this complex junction has intensified. I am grateful to the administrators of the **Bar Hill Drivers Facebook** page and members of that group for providing real time feedback on changes which I can follow up with the A14C2H team. The most effective way to report a highways fault on local roads is via the Council's website:

<https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults/> but I will always follow up on any concerns raised with me as I've done recently for road and footpath issues in the vicinity of Hillcrest and the cycle path from Dry Drayton. The latter has been actioned; Hillcrest issues are being progressed.

Energy

The first joint Cambridgeshire & Peterborough Corporate Energy Strategy has been approved by both councils. The vision is to secure renewable and resilient energy supplies and infrastructure to support local needs whilst maximising commercial benefit for both councils and their communities, and making best use of their combined assets to reduce carbon emissions and environmental impacts. <https://www.mlei.co.uk/climate&environment/corporate-energy-strategy/>

Budget Priorities

The Council is consulting on priorities for its forthcoming budget setting process. 1,100 residents matching Cambridgeshire's demographic profile, have been selected for a face to face survey. This will investigate their appetite for such things as community involvement and their views on council tax. The survey has been published on the council's website at:

<https://www.cambridgeshire.gov.uk/council/finance-and-budget/business-plans/>

Former South Cambridgeshire MP
HEIDI ALLEN

Dear all,

I wanted to write and extend a fond farewell and a heartfelt thank you for four and a half wonderful years as your Member of Parliament.

I have been so proud of the vibrant, open, welcoming local communities who have shared a myriad of local successes and events with me and my husband Phil. We really do live in one of the best places in the world and it has been a privilege to create so many wonderful memories with you. I could never have dreamt that being sawn in half at the Cambourne Christmas Lights Switch On or being put in the medieval stocks at Hinxton could be so much fun! And who knew I could be so successful at village fetes – I literally cleaned up at the Eltisley tombola; opened with a rock band at Bar Hill; won the Tug of War with the ladies team at Meldreth and arrived at Whaddon in a vintage Bentley. I can't claim quite so much success at Thriplow Daffodil Festival, where I managed to confuse the category of Best Puppy with Dog that Looks Most Like its Owner! You are a very forgiving bunch. Race starting became something of a hobby and I was lucky enough to be invited to wave the flag at Cambourne, Caldecote, Great Chishill and the brilliant Duxford Soap Box Derby twice. A definite highlight was helping to "top out" the new Royal Papworth hospital, while a low was probably during the Steeple Morden Steam Engine Rally when I innocently told the crowd that my husband 'likes to get on something hot and dirty at the weekend' – I'm not sure I ever lived that one down!

I've been privileged to see first-hand the exceptional efforts of our public service workers as they go about their duties with dedication and brilliance. I've loved spending a night on duty with the bed team at Addenbrookes; going out on shift with our exceptional police, fire and ambulance crews; cutting open a car with the Duxford fire crew to test new equipment and I was extremely proud to welcome the Prime

Minister to the Genome Campus to showcase the ground-breaking work that takes place here.

I've laughed out loud at the contributions made by primary and secondary school pupils during my dozens of school visits and have been humbled and inspired by the pupils and teachers within our schools. On my final day, I was especially proud to hand GCSE certificates out to Cottenham Village College's latest cohort; celebrated like I'd won the lottery when Guilden Morden Primary turned itself around for Ofsted and probably enjoyed Elsworth Pre-School's cocktail night a little too much...hic!

South Cambs certainly knows how to party and I was lucky enough to watch the Hare and Hounds in Harlton coming back to life; Fen Drayton's Call my Wine Bluff and Queen Edith's RNLI superb Brass Band Concert. I dusted off my landlady skills at the Shelford Feast, pulling pints but my team and I failed miserably at Caxton's Village Hall Quiz Night...perhaps the cheese and wine may have distracted us somewhat! I loved giving Litlington residents a taste of my Desert Island Disc selections and who could forget me being beaten by Simon Saggars, the Green candidate in a hustings at Comberton VC!

I have so many special memories and it's just not possible to document them all here. Truly, it has been the greatest privilege to serve the people and communities of South Cambridgeshire. Thank you to everyone who shared a kind word, a thoughtful comment or a grey cell stretching learning. It has been a huge honour. To all the brilliant people of South Cambs – thank you for a wonderful four and a half years and for allowing Phil and I to build our life here. All our love, Heidi and Phil x

**CAMBRIDGESHIRE
FIRE & RESCUE SERVICE**
Working together to improve community safety

Christmas is approaching! The time of year when we're enjoying a tippie with friends, cooking up festive feasts for the family and entertaining loved ones. With all the fun to be had it is easy to be distracted when cooking in the kitchen.

50 per cent of all fires in the home start in the kitchen and more than half of those are as a result of distraction whilst cooking.

We want to help ensure your festive cheer doesn't go up in smoke this Christmas by sharing our tips below for safe cooking over the festive season:

Never leave cooking unattended

Do not cook when tired or under the influence of alcohol, drugs or medication that makes you drowsy

Regularly clean the grill pan and oven. Built up fat can easily catch fire

Never leave anything cooking if you leave the house

Do not leave anything flammable on or near the hob – tea towels, oven gloves and even washing baskets can catch fire

Take care when using microwaves. Fires can start when people put food in too long.

Oven chips or temperature control deep fat fryers are safer than using a chip pan. If you do use a chip pan, do not fill it more than

one third with fat and turn the heat down if the oil starts smoking

Fire can break out in household appliances so you should regularly maintain dishwashers, washing machines and driers, never leave them on if you go out or go to bed and register your appliances online to ensure you are made aware of any faults or recalls

Have a working smoke alarm on each floor of your home. If it keeps going off when you are cooking it is probably in the wrong location or you may have the wrong type of smoke alarm

Never take the batteries out of your smoke alarm.

If you do have a fire in the house, get out, stay out and dial 999.
